You know, you can mock me all you want, you can make fun of me all you want, you can over post my clan thread alllllll you want, but you know what? All you all are is a bunch of pricks who waste their lives torturing other people, your hipocrits and losers, who in real life have no purpose or meaning, so you resort to the eneternet to be all high and mighty, because in real life you have social problems and are weak and feeble.

Some if not most of you are going to post things like "Oh yeah sure no u r noob, i have a life you dont u suck" blah blah blah.

Say whatever you want because i don't give a damn, if you want to waste you're time, sitting here, posting in my thread which is ment for clan recruitment, then go ahead, because no matter what you say or what you do, or what you post, the truth is that all you are, are a bunch of losers with no real lives.

Have fun.
