Mad Ivan wrote on Thu, 13 April 2006 08:38piotrko1 wrote on Wed, 12 April 2006 04:04I run NR and you can make ppl be nuetral with it so I got the idea of putting in some Nuetral PT's. If you were on nod/gdi you could access them but not buy anything, but if you were nuetral once you accessed them the users renegade crashed. Anyways to fix this? Thanks a lot for the help!!!!!!

I am also interested in a fix for this...anyone?

That's because there are no neutral or civilian purchase settings, not possible.
