I was thinking.....

Maybe the admins and/or mods could make a Bar topic, if there isnt already one here? You know, pretend your actually your own character *Like I'm an Ex.GDI General, etc.), walk in, grab a few drinks, and talk about the important things in life.....*cough*

Kinda like a Roleplaying experience ya know?

Though this IS mainly a support forum, thought it'd make it more interesting. I'll volunteer to be the bartender as well!

Anyone think this is a good idea?
