As for Crimson's server being full of idiots.. I guess you've never played there. Every time I did, I rarely found anyone standing around.

Orca is easier to get that k/d and snipers are even easier. It's just gay that you have to refill every so often that i don't bother. I guess i can take a SS of next time i get in a pub server of a good k/d ratio if it'll make you happy.
