Quote:They just don't try hard enough.

If they did they would be living the good life.

Then they won't be bothered, because they would be more productive to the USA.

How can I remove the top reply, I deleted the body of the message, but how do I remove it completely?

Who is "they", you are referring to? What task are "they" not trying hard enough at? Oh, "they" must be illegal immigrants. So, if "they" try harder, "they" will become citizens?

Be patient, and your mommy will come along and delete it for you.
