(Something) from Russia, (Something) see me speak (something) Russian?

I could be wrong. I don't speak Russian, I'm just using my Bulgarian skills to translate best I can.
Of course there are several Huge differances...

For example, "Grozny" means "Great" in Russian, but means "Ugly" (Plural) in Bulgarian...

I've been around this forum since the old Westwood days and you are the only Bulgarian i've
seen around here, other than myself!
