ROFL

That isn't a dictionary quote.

<http://dictionary.reference.com/search?q=nitpicking>

This is a dictionary quote:

nit-pick P Pronunciation Key (ntpk)  
intr.v. nit-picked, nit-pick·ing, nit-picks  
To be concerned with or find fault with insignificant details. See Synonyms at quibble.

Do you read what you write before you reply, or even think about what you're saying lol?
