First off stop being so ignorant, I'm not the only person thats ever complained about being wrongly accused for doing nothing, I've read posts of others so whatever system or method they use is far from perfect. Second, stop lashing out at me I'm not a bad guy, just someone who wants to have fun and play Renegade. quit being such a hypocrite because if you were as "literate" as you claim yourself to be you would know that "dumbass" isn't a word dumb ass. But who the hell cares about spelling and grammar on forums and stuff as long as its comprehensible...
