I liked the private message he sent me, especially when he called me a pissant:

Quote:Like i said, i have a BIGh eart for joking all the time, but not when its serious and its my biz, if you wanna act like a pissant and get in my way too, ill make sure the mods take care of you as well, i have a freind who is big buddies with one of the mods, and if you don't believe that, just keep pushin' it,and youll see.

BTW: Don't think theyll ban/suspend for it?

you called me a jack ass and he annoyed me, thats 2 rules broken, read em' if you don't believe me.

Now i suggest you shush and go about you're little way smart guy.
