MAN, There Are So Many Maps Out There, I Have About 55, but I keep seeing more and more and more, so if there is anybody with the knowledge of how many maps in total are in circulation, can you please post it??? Ow, I only mean the new maps.

And can anyboby PLEASE tell me if you use a skin can other players see it, for example, lets say that I have a skin pack of a Nod soldier with a hat, would the players in the game be able to see it?

-Thanks
