Havoc1310 wrote on Thu, 08 June 2006 13:34 That's like saying well Killing Babies isn't the same as killing adults.

Cheating is cheating is cheating. You either use 3rd person programs or you don't, simple as that. Aside the fact, he finds hacking Renguard "funny"

I've used edit\_vehicle on Multiplayer Practice, want to make some kind of half-assed inconsistent analogy about that too?
