Care to explain your reasons`?

and luv2pb, yes.

Oh, I seriously didn't know. After I got screwed one to many times I stop comming over by you guys. Then I heard zunnie left and just assumed things would fall into oblivian even faster once he was gone.

lol.

Nah, zunnie is back, he just had a little break.

Even if zunnie did leave, there are enough admins like reborn and oxi who would keep it going, money is not a problem to keep things online as we all donate.

So mrpirate, just cause we changed the havs around you got abit upset over that... I guess you dont like change.
