No, I don't play on your servers. This is because I think the modifications you are running are silly. Perhaps your English is bad, but, to me, you just implicitly conceded that most of the players on your servers think the Harvester thing is stupid too, but don't let it bother them enough to stop playing there. And, honestly, if the switched Harvesters were the only modification, I wouldn't stay off your servers.

I suppose you didn't actually write the modification to switch the Harvesters, but if you ever come across the reason and have the opportunity, I'd appreciate it if you'd post the thought process behind that move, because I'm sure I'm not the only person curious.
