It is a pretty good idea, it will show the huge problems with the border patrol.

Example:

1. Person sees illegal aliens crossing the border.
2. Person calls the border patrol to fix the problem
3. Border patrol blows off the concerned citizen
4. Concerned citizen say WTF!!!!
5. Big problem is finally exposed because it is on the World Wide Web for everyone to see. Even the Chinese.

But seriously illegal immigration is a HUGE problem.
