i vote ban U9HATING CNC.

Four years of experience say otherwise, kiddo. These forums have seen their share of retards, and you are just another passing moron. If you think anybody actually cares about what you, in your illiterate shit-talking, have to say, then you are sadly mistaken.

<sarcasm>

And of course, I hate Command & Conquer because I choose to argue against you. And since I hate C&C, I obviously hate everybody in these forums. Wow! You have discovered my true meaning for being in these forums. You, in your finite wisdom, found out that my real reason for coming to these forums is to spread dissent among the forum members, eventually getting to hate each other and getting to hate Command and Conquer while they are at it. I BOW TO YOUR SHERLOCK HOLMES SKIZZLES. CONAN DOYLE WOULD BE PROUD.

You fail at English, you fail at society, and you fail at life, sir. I recommend ending it, for the future of humanity.

EDIT You see this? This is me correcting typos after I type. This is something I recommend you do in other forums, because you sure as hell won't be visiting this one anymore.
