Insted of offer you 2 different places where you find tutorials, we have decided to work together and use one Database for both sites.

you now find all tutorials at:

[list]

[*]www.laeubi.de/tutorials

[*]www.renhelp.info

[/list:u]

Sadly there are some problems with the DNS server so you find the site temporary at:

<http://generalhavoc.port5.com/> as long as renhelp.info don't work.
