Lyrics:

Quote:olll lol lol (x5)

back again
i'm a crab
alien

now every crab report to the sea shore
to the sea shore
to the sea shore
she sells sea shells by the sea shore
by the sea shore

and it's lol lol lol
fill your stomach with some bal-al-all
on the floor laughing

i put on my rubber wizards hat
number one cliché for sexes chat

now chop me up into crab sticks and fat
extract the egg yoke from my ball sack

time to retreat back to my home

[chorus]

helo girls would ya be up for some sexes chat?
i'm sorry but i cannot remove my hat
it's glued to my head and it's brownish-red

and i must warn you
i am out of my mind
i'm ready to shoot and i scare any bums

and i'm gone

[chorus]

and here i was staring down
the hottest girl
i had ever seen
she was kind of short
walking blow-job
and i unzipped my pants

thrusting a bit harder
kinda burned and charred her
when i tried to light a cigarette
using her hair and some kindling sticks
she was not lol lol lol loling

now this is the part where my crab breaks down
after eating it again, how's that sound?
feeling kind of sick? well i see you frown
give me sexes chat and i will be like wow

wash it off afterwards
for fear of germs

I could not stop laughing after this song was over. It may be old, but it's still funny as hell.
