Most of the complaints about a ban anymore is because of ban evasion. I wouldn't support the banning of Sensitive if it wasn't painfully obvious that he has ban evaded and is being allowed to do so. Usually, ban evasion is an automatic permanent ban, and that's where most of this ban Sensitive is coming from. As for the rest of the forums, there is no "Off Topic" forum, which I think would cut down on a lot of spam. All we have is the "General Discussion" which, as the description points out, is for "General discussion of Command & Conquer Renegade". If we could get an Off Topic forum, I imagine that would help out a little.
