Crimson wrote on Sun, 25 June 2006 19:57Do we get that many threads that they must be separated? I don't see us discussing much about Renegade these days. Most things having to do with Renegade are best suited for the other forums like Tactics and Strategies or any of the support forums.

I guess not. Then I guess I would suggest more, dedicated moderation. I can find a moderator 'quiz' if you think that'd help "weed out" the incapable candidates if you would want to add more moderators.
