SpyGuy246 wrote on Wed, 28 June 2006 18:16l dunno, I kinda like the idea of a Russian invasion. Probably why I find Red Alert appealing.

But the whole "losing personal liberties/freedom" thing with the alternative of "steel-melting destruction" doesn't sound like a fair trade for a few years of amusement.

Go rent or buy the movie Red Dawn or Amerika(impossible to find). They are both about a Russian invasion of the United States.
