Crimson wrote on Mon, 03 July 2006 04:03remek wrote on Sun, 02 July 2006 19:38before you flame (cry) me, just a reminder that so called "pro servers" such as n00bstories and pits lost to us.

n00bstories has never played a community match, so I don't know where you got your information. This is precisely why we don't do that.

We played a group of players from n00bstories, regardless of whether or not they were representing n00bstories officially is beyond me.
