If you guys cant get past the singleplayer mode try the Golden Gun Mod V2.0

This mod will give you infinite ammo, health and makes you run faster and jump higher, so it will be easier to cover the large ground in the Renegade Missions. On the 2nd mission all the weapons will be dropped at the path behind the construction yard, which includes Repair Gun, Railgun, Shotgun (really had lots of fun with this one), Ramjet, Timed C4 and etc. You can get the mod at CNC Ammo

Notice my unlimited Flamethrower ammo in the screenie. It was real fun when you get to place tons of C4 outside of a building and blow them up!.
