Seconded. I hate just about everywhere that has this rule - Renegade servers and otherwise. I mean, OH TEH NOSE I SEDID TEH BAD WURDZ!!1

I can, however, accept this if it's something geared toward young audiences (Renegade, being both a T rated game and on teh intarweb, is not) or if it's a compromise, such as "You can curse, but don't abuse your right to curse." A swear every other word isn't that great, either, but a "wtf." every now and then is needed.
