http://www.renegadeforums.com/index.php?t=msg&th=19350&a mp;a mp;a mp;start=0&rid=4039

When you said lightAren't you supposed to remove the (tm) ?
He said Renardin6nope
You seem to thought he mean't 'nope, didn't work', but he could have meant 'nope, I'm not supposed to and I'm not going to'.

So maybe he didn't do that. ;D (He may not have to anyway)

How far do you get with Renguard Renardin, it doesn't start period?

Edit: Oh and um..... Why did you even get Windows Vista by the way?
