Can someone fill in the blanks? I once took a bit of German, but I can't get hardly any of this:

Hi. When I install Renguard and join/load a server it \_\_\_\_ very \_\_\_\_\_ in play-- \_\_\_\_\_ the  
play-- \_\_\_\_\_ when I \_\_\_\_\_ and \_\_\_\_\_ When I install Renguard.

Yeah, I suck at German. Give me a break, I only had 4 months. ...at some point in history.
