Alright, I have taken all of your requests to draw something new, and after hours and hours of advanced animation techniques and use of superior drawing technology I have come up with this..

LOOK AT THE LITTLE TURTLE!

...Ok so the turtle's not that good, and it's completely off topic.. I've been busy studying game programming!

Dang I haven't checked these forums in a while..

And to the Goonsquad, I'M KRAYONS!
I'll kick your cans anyday!

About the controversy, this is where I stand:

The picture I made wasn't to be taken seriously or anything, but if I did intend to bring a message, I would never filter it for the public. People need to express themselves, we need more of that in today's society. It is essential that we speak up and take action for ourselves, for what we believe in.

We have enough plastic people being manipulated by the media as it is...

Never be conservative, always go all out.
