Edit:

Naamloos wrote on Mon, 24 July 2006 10:09I don't play it anymore, but that's because I'm 'banned' from XWIS and don't know any servers to direct connect to. But I do still make stuff...

What about Gamespy? Also, have you tried asking server owners or moderators about getting IPs to directly connect? From previous experience, I'm sure Crimson won't mind giving you the IP for her server.
