hmmmm maby  
but there are sites like <link removed>  
which have renegade there but when i try it  
it just says serial banned for 984 days  
so i uninstall

maby i need to patch it  
but i downloaded the Renegade\_1037\_English  
and when i go to install it says file mission  
then stops

(single player works but multiplayer dosnt)

EDIT BY NIGHTMA12: i removed the link, please dont post link to piracy sites
