---

i had it installed the other day but due to me havin to red disc my comp i have to reinstall ren!

dont know how to do a screen shot.

when i load the disc it loads but when i try to install ren it comes up with that error box sayin send error report or don't send if any1 can tell me what to do to help any1 help me then i will do it!

iam 22 and stressin coz i cant play my game iam like a kid! lol

just tell me what to do to do a screen shot and i will do it.

thanks for your help Alan
