mrpirate wrote on Tue, 25 July 2006 21:51: Once I get back to school I wouldn't necessarily be on much. I'm surprised anyone thinks I'd be any good considering what an idiot I act like here most of the time.

I would also actually like to second mrpirate's nomination, pirate's are cool, lol. But seriously despite never saying anything nice to anyone I believe you have decent knowledge of the game and community and are intelligent enough to use any powers appropriately (or else they will surely be removed pretty quick)

Maybe you could make it your mission to make at least one pleasant post a week though?
