DarkDemin wrote on Wed, 26 July 2006 09:50J_ball is in NC but I'm sure he accepts. You would assume that, but I don't. The only sections I'd accept a moderator position for are the General Discussion and Politics forums, but warrant posts enough in the Politics forum that it pretty much negates any need for me to moderate. I trust his judgement over mine. If by some twist of fate that people, besides those I know, actually think I'm qualified, I'll accept moderator status in the forums that I noted above.
