hardkil
sxhpappy
irashiva
eaadmin10
squad145t

So, your little game of saying you have known hardkil for years (which I guess technically is true lol) to try and mislead people into thinking you are not him, has come to an end.

Broadcasting personal information over the internet is illegal. Thank you for the violation. You be hearing from me soon. By the way sherlock everyone knew it was me so you did nothing but, hang yourself.

This is gold! Make sure this goes to the hall of fame once it finishes .

For your information: your ip is open information. By registering on this forum you probably even agreed that the forums owner can use it.
