Commando no. 448Duke of Nukesyou people can think whatever you want. Honestly...the only reason I come here is out of pure boredom and your ignorance keeps me intertained. I'm relaying your messages to some of my friends around the globe (Scotland, Austrailia, Venezuela, Pennsylvania, ect.) and they're all laughing...some of them my age...some of them are in their 30's. You have yet to prove me absolutly wrong...you still have only proven my wrong from the American viewpoint...learn to think out of your own little box...move to a third world country and learn the politics and then I'll listen to youWhoh man that is a good idea. I should do that with my friends. They would love to see some of the stuff posted here.

maybe they are gay lovers hmmmmmmmmmmm......
