ArUsH4nIlyou banned me from the pitts server while i was using nick C4OwNaGe for me telling you to shut up!!

you were repeating ctrl+alt commands like 6 times in a row!, do u know how annoying it is to hear

DEFEND THE HARVESTER!
DEFEND THE HARVESTER!
DEFEND THE HARVESTER!
DEFEND THE HARVESTER!
DEFEND THE HARVESTER!
DEFEND THE HARVESTER!

DEFEND THE BASE!
DEFEND THE BASE!
DEFEND THE BASE!
DEFEND THE BASE!
DEFEND THE BASE!
DEFEND THE BASE!

so i tell you to shut up, and you ban me, that really pisses me off, because i needed to read more important messages that people were typing.
it is really annoying, and i think ALOT of other people will agree!
so unban me NOW

here's an idea... shut up. no one cares if you got banned from a server... not even if ACK was the one you banned you. You got banned... deal with it. This is just another spam/flame thread that has no reason to be here. Grow up and move on.
