Aircraftkiller wrote on Fri, 04 August 2006 17:25 What's not to "get" about it? The sheer precision required to fly into the SOLG and take it out in a few hits is awesome enough... couple that with The Unsung War playing in the background and it's truly the best video ever.

Yeah, to those who actually give a damn. I'd be much more inclined to say that a recording of a live performance of Led Zeppelin is the best video ever.
