Well...I was banned because I was cheating and bypassed renguard...It wasnt I best choice Ive made in my life...but my worst...I cheated on my favorite server out of pressure...to fit in I should say...to look good in front of my brother...hes the one who gave me the links and everything...well...im not really a good speaker so...Ill just throw it at ya...I am really really sorry for my pathetic unintelligent desision I made that night...I would be more than willing to clean the slate off I just dont know what you would like me to do...I will be willing to do anything possibl that I can do...well im deleting all of those cheats thats step #1...step #2 and up are all up to you to decide...
