Crimson wrote on Sat, 05 August 2006 05:30 Sorry, I had to stop paying attention to this thread to take a shower and run my weekly poker game. I came in second -- won \$40 instead of \$240. We had 22 people this week which I think is a new record.

Anyway, I think it's about time to ban this guy. He's just turned into a boring spammer who ran out of 75 IQ arguments and went on to the 27 IQ point arguments several pages ago. He got owned completely before he even joined, then he made it worse. Fun, fun.

Crimson ftw.
