Sk8rRIMukSir PhoenixxBut why are you doing it after stargate?

And have you asked Stargate's owners if you could use their names/materials in a mod? If you haven't, I'd almost guarantee that they'd find you sooner or later, one way or another.

(yeah, I'm talking about copyrights...)

I don't think they would exactly sew him still it is work takeing in to account...

Ahhhhhh why is everybody so damm busy.

First off, you spelled "sue" wrong.

Secondly you cannot be sued for making a Stargate mod, as long as you do not make any money off it and keep it for private use. Like for instance if you hosted it on Renegade Realm, and you say only members of this forum may access it.
