This may sound prettty stupid and im SURE there is an answer somewhere but.. i cant find out how you change the team names (GDI and Nod) as well as the yellow and red colours in the top right hand corner, i wanted to start a mod with different teams but if it still says GDI and Nod up there, it will look pretty bad

oh, and i have replaced all the strings with 'GDI' and 'G D I' in them with the team name i want, and it didnt work, same goes for Nod.
