Sniper\_De7 wrote on Wed, 09 August 2006 21:53 In fact, you're putting down others by labeling them as "asswiser" and that's a bad thing to be apparently. So by what right do you have to even comment?  
I think that you may be onto something.

For someone to say that someone is an asswiser, that would be passing judgement, and passing judgement would classify you as an asswiser, as being an "asswiser" is a negative thing, so you would be making yourself out to be better, as you claim yourself capable of deciding who or who isn't an asswiser.
