the17doctor wrote on Sun, 13 August 2006 09:09ive released the beta version.

currently at [http://www.futuramaparty.com/C&C\\_Flying\\_DM.mix](http://www.futuramaparty.com/C&C_Flying_DM.mix) - File Size: 3.25 MB

I tried it, will you be taking it any further?

players can shoot through the walls you know you also have no physical collision on the WF  
smoke stacks
