thrash300 wrote on Tue, 15 August 2006 21:53 You people need to see the big picture out of all this. I see the big picture not just the Israeli-Palestinian conflict but the world wide picture AND IT IS SHOCKING and I'm not fucking lying it is scary what is going on with world government. Heres a good start for you guys: <http://video.google.com/videoplay?docid=-4757274759497686216&q=terror+storm>

DO NOT CLOSE YOUR MIND TO ANYTHING TRUST ME JUST BE OPEN MINDED MAKE YOUR OPINIONS AT THE END OF THE FILM, JUST REMEMBER THAT THIS ISN'T SOME MOVIE FROM HOLLYWOOD, THIS IS REAL, ALTHOUGHT I WISH IT WAS NOT. IF YOU DON'T AGREE OR SOMETHING JUST THINK BACK TO HISTORY AND LOOK BACK AT HOW THINGS WERE THEN AND HOW THEY ARE NOW.

JUST REMEMBER THAT I AM NOT TRYING TO MAKE YOU A "BELIVER" LOL I'M JUST TRYING TO OPEN YOUR EYES.

The only thing you've managed to open my eyes to is the realization that you're a fucktard.
