help-linux wrote on Thu, 24 August 2006 07:27so it is 500 or 400?

Dude, I never noticed that ranking shit until you brought it up. It really doesn't matter at all and nobody cares about it.

Edit: So don't go posting a bunch of useless spam to bring up your post count and your ranking. I've been on these forums since the day they opened in 2003 (member #8 of 5365) and I'm still a "Recruit."
