Since I told them to.

What else have you told them

Just that you like to give out my MSN address to random people, and for that, you're ineligible to be a member of the Brotherhood of Nod because you're a major security risk.

Also, the secret levels will be of giant cookies trying to take over the oceans. Damn it, those were my best cookies, too!

They were just girls who were bored and needed someone cool to talk to, and we all know who is, Kanezor! was the first to mind
