A little while.

Ren will survive for 6 months, maybe even a year. But the level of play is starting to become laughable. Its hard to play a mod map and have any one join at all. The 'same old' westwood maps have become boring.

Renalert may yet save the day, but i doubt it. If it is not well advertised and no one dls/hosts it it will be for naught.

I wonder how the dead six expansion is coming?
