20:02why have you linked me to that? is that useful(!?)

no.

so if you dont have anything useful to say i suggest you STFU
Do you not understand the idea of USING A SEARCH ENGINE? I mean, seriously. Search for the
fucking virus. There'll be plenty of sites with the definition of the virus including the risk that the
virus has. IT'S NOT THAT FUCKING HARD.

IS DAT UZFUL? NO SO GO AWAY PLZ!!!
