This is the beta from Htmlgod's Star wars mod.

He has given permission for me to release this. This will probably be the last build, don't expect and updates or bug fixes.

This consists of 2 parts, part 1 and part 2

NEW DIRECT MIRROR!

Part 1

Part 2 (Thank to Cfehunter)

Mirror 2

Part 1

Part 2

Credit goes to Htmlgod and others who helped him with the mod.

I'll be sure to shoot you down with my x-wing

If anyone else can upload this on a better server, please contact me-
