updates, weeeee.

I dont have yall's aniamtions video done, but I will do it!

Me and Oblivion have beebn discussing ways to make gunjams and fixing etc etc like Americas Army, I hope that could be impemented into my sniper map I am making, as I said i still ned unwrappers and texture-ers, please, if youd like to help let me know, I am currently learning the absics of boning and rigging atm, so dont think its dead or anything.
