Player CD-ROM 2 CD-ROM Floppy Ethernet Sound Adapter

Microsoft has

Windows xp

○ Collecting
information

○ Dynamic
Update

○ Preparing
installation

○ Installing
Windows

○ Finalizing
installation

**Setup will complete in
approximately:**
   13 minutes

Registering components

Stay up to date

Windows Update provides you with critical software updates
and hardware support files for Windows® XP. And Setup
gives you the opportunity to ensure that you have the latest
software to install Windows quickly and successfully.

For corporate customers, there have been great
improvements to the system preparation tool as well as
unattended setups.
