Im not 100% sure if this applies for other bots/servers but...

If someone uses the nick "Host" ingame.

Quote:<CrazyAOW> Host: This Server 0wns, Donae Today [www.aow-21.com](http://www.aow-21.com)

When you talk it appears as "Host: >message<". Which to me deserves a ban. As for the other nicks. They shouldnt be used period. As they arent registered to you.
